

Student Impact Application Packet

Here's where the rubber meets the road! We believe that if middle- and high-school students want to grow in their relationship with Jesus Christ, it is critical for them to learn to **be** the church, not just attend church. Student Impact (SI) is where students grow by strategically serving others.

During every service, students can be found leading small groups in Waumba Land and UpStreet, running sound, computer graphics, and lights, or directing traffic.

Please talk over your family's schedule for the fall. Then fill out the following application so we schedule you in a way that will best fit your family.

Spaces are limited for student leaders.
